FEAST OF THE TRANSFIGURATION OF THE LORD

Page 88 in the Mass Book

Jesus in his glory, along with Moses and Elijah, provides a glimpse of the things of God for another three people, Peter, James and John. Peter wanted to keep the scene there, and build three shrines (who would see them up there?). They are challenged instead to leave the realms of heaven, go back to daily life, and live lives that demonstrate the presence of God. As we listen to the story today, we remember our task is to reflect the glory of God in our lives too – a glory which can be seen in our actions towards our brothers and sisters.
